MARBREY FURGESSON AND N. J. WILBORN

Arrested in Nortonville Dy-
namiting Case in Which
One Man Was
Killed.

CHARGED WITH WILFUL MURDER

As the result of the dynamiting of a negro residence at Nortonville two weeks ago, in which Will Cathrou was instantly killed and Will Pardue and Jas. Williams were badly injured, indictments were returned late last Thursday afternoon against Marbrey Furgesson and N. J. Wilborn, both of Nortonville, charging them with wilful murder. The men were arrested Friday morning by Deputy Sheriff Lacy and Logan and are now in the county jail. Motion for bail will be heard before Judge Gordon next Saturday, Oct. 23.

Another indictment was re-
turned against these men, charg-
ing the wilful exploding of dyna-
mite under a dwelling house, and
a third indictment against Wil-
born charges assault and battery.

Following the arrest of the men, and while the officers were on the way to the depot at Nortonville, Marshal Woodard was met. Without a word Wilborn struck the officer in the face, cutting a gash under the eye.

Judge Gordon stated that a full term of court would pro-
pound the trial for Monday, No-
vember 1st for the purpose of
trying the men.

Itinerary Cards

Enterprising merchants along the Dixie Bee Line route from Henderson to Madisonville, a distance of 46 miles, by way of Dixon, have gotten out an itinerary card, one side for the trip south and the other north, giving the route in great detail. Every cross road is pointed out, every church, schoolhouse or rough piece of road is set down and the traveler can refer to his pedometer and tell where he is every mile of the route. At the towns the traveler is told where to do his trading, the cards being paid for by the advertisers and presented free to all travelers. Good idea to adopt in this country.—Hopkinsville Kentuckian.

Recommends Chamberlain's Cough Remedy

"Last winter I used a bottle of Chamberlain's Cough Remedy for a bad bronchial cough. I felt its beneficial effect immediately and before I had finished the bottle I was cured. I never tire of recommending this remedy to my friends," writes Mrs. Wm Bright, Ft. Wayne, Ind. Obtainable everywhere.

NOTICE

The Daughters of Confederacy will meet with Mrs. D. M. Umstead Wednesday at 8 o'clock. All members are urged to be present as business of importance will come before the meeting.

PROSECUTING ATTORNEY RINGO

Balks at 500 Fatherless Kids of "Possum Hunters".

Hartford, Ky., Oct. 18.—The special term of circuit court for the trying of nearly 100 possum hunters adjourned this morning without having tried any of the alleged offenders. The developments of yesterday when Eliza Allen, Oscar Taylor and Estill Faulkner were sentenced on their pleas of guilty, demonstrated that if all who had been indicted could be proven guilty it would result in nearly 100 men being sent to the penitentiary. As there would result in leaving as many wives and 400 or 500 fatherless children, many believe that Prosecuting Attorney Ringo simply halted at the appalling prospect. The fact also appears that the possum hunting business is completely broken up here, that all the men are thoroughly penitent and are ready to make promises with tears in their eyes as the three convicted men did yesterday.

Nearly all the men charged are professed Socialists. They have been regular readers of the two principal sheets in the West devoted to socialism.

Farmers, mechanics, railroadmen, laborers, rely on Dr. Thomas' Eclectic Oil. Fine for cuts, bruises. Should be kept in every home.

Farewell Sunday Party at the Home of Miss Clegg.

Miss Hattie Polk Crenshaw entertained a number of her friends at her home on Robinson street, Thursday night with a supper party to compliment the Misses Gracey Martin, Florelle Wright and Sarah Featherston, who are leaving soon to make their home in Evansville. The early evening was spent in amusements, furnished by the charming hostess followed by refreshments of delicious kinds. The young people had a very delightful evening despite the fact that it was tinged with a sadness for the parting soon to be.

When Baby Has The Croup

When a mother is awakened from sleep to find her child who has gone to bed apparently in the best of health struggling for breath, she is naturally alarmed. Yet if she can keep her presence of mind and give Chamberlain's Cough Remedy every ten minutes until vomiting is produced, quick relief will follow. The child will drop off to sleep to awaken in the morning as well as ever. This remedy has been in use for many years, with uniform success. Obtainable everywhere.

Omer Menser

Accidentally Killed

Omer Menser, about 31 years of age, well known young farmer living near Dawson Springs, was instantly killed Sunday morning when he jumped from his buggy, the fall resulting in his neck being broken. Mr. Menser was on his way to Dawson Springs, driving a young horse, and just as he was entering the city his horse became frightened and started to running and kicking.

Chronic Constipation

About two years ago when I began using Chamberlain's Tablets I had been suffering for some time with stomach trouble and chronic constipation. My condition improved rapidly through the use of these tablets. Since taking four or five bottles of them my health has been fine," writes Mrs. John Newton, Irving, N. Y. Obtainable everywhere.

GET IT IN EARLINGTON

Spend your money in Earlington, and stand by your own home town. No town can be prosperous in which the citizens dependent upon each other, do not patronize each other. The time is now here when it behoves every man, and woman in the town to do all their trading in Earlington. The merchants of this city have everything you need and at prices as low as can be found elsewhere. Suppose there are some few things you can get in the nearby towns for a few cents less, when you count the expense of railroad fare, express or parcels post the price is equalized and then your money is sent out of town where it is absolutely of no benefit to the community. Why help build up some other town and let your own go to ruin, why send your money out of Earlington to keep up streets and pay current expenses of some other town when these same merchants never spend a dollar in your town. Who is it comes to your home when some of your loved ones are ill and you are in trouble? Is it the out-of-town merchant? Who helps keep up your schools and churches and other public institutions? Do the out-of-town merchants ever donate a dollar to the cause of charity or help take care of the needy in Earlington? When the death angel hovers over your home and one of your children is called, do the out-of-town merchants ever offer any assistance, or follow the little form to its last resting place. No, it is your own home merchant who comes to the front and in an humble way renders what assistance he can, it is your home merchant who sells you what you need, on a credit and waits patiently for the pay when you are in hard luck or work is slack. How much credit could you get from the out-of-town merchant? If you were in destitute circumstances and your children were crying for bread you could not get a dollars worth of flour from the men outside of Earlington with whom you have been spending your money.

THE CHEERFUL CHERUB

I sing in praise of common things,
They may not have much spice,
But though they pall at least they make
Uncommon things seem nice.
RTCM

The fact is but little is ever made by going away from home to trade and often counting all expenses there is a loss that can never be replaced. The dollar once sent out of Earlington is forever gone and no community can expect to be prosperous where the people do not trade at home. You make your money in Earlington why not spend it in Earlington where it will be kept in circulation and eventually come back to you. The same dollar that buys a load of coal will be spent by the coal man for drygoods and by the drygoods man for groceries and by the groceryman for meat and by the meat man for repairing a fence and so will continue a ceaseless round of activity in the community. Just now while other things are working adversely to the interests of the city, every man in town should join the Boosters Club, put his shoulder to the wheel and push hard for the prosperity of Earlington, and one of the most essential things we can do is to begin now and spend all our money at HOME.

A Clogged System Needs Attention

Are you bilious, dizzy and listless? Dr. King's New Life Pills taken at once seizes upon constipation and starts the bowels moving naturally and easily. Moreover it acts without griping. Neglect of a clogged system often leads to most serious complications. Poisonous matters and a body poorly functioning need immediate attention. If you wish to wake up to-morrow morning happy in mind and entirely satisfied, start your treatment to-night. 25¢ a bottle.

DEMOCRATIC SPEAKING

WEAK, AILING CHILD

Made Strong By Delicious Vinol Lakeport, N. H.—"Our little girl 8 years of age was in a debilitated, run-down condition and had a stubborn cough so she was weak and ailing all the time. Nothing helped her until we tried Vinol. Then her appetite increased and she is strong and well, and I wish other parents of weak, delicate children would try Vinol."—GEORGE A. COLLINS.

This is because Vinol contains tissue building, strengthening cod liver elements and the tonic iron which a run-down system needs.

IS YOUR STOMACH WRONG?

Sooner or later you will be wrong in every organ of your body. It is a well-known fact that over ninety-five per cent. of all sickness is caused by ailments of the digestive organs. If you have the slightest suspicion that your stomach requires treatment, don't delay a moment. Little ills soon grow into serious ills.

Dr. Pierce's Golden Medical Discovery lets to work immediately at the seat of your trouble—the stomach. It lends a helping hand. Helps to digest the food. Tones up the stomach. Soon brings back normal conditions. Food is properly assimilated and turned into rich, red blood. Every organ is strengthened and every tissue re-vitalized.

The same good blood will cause pimples, acne, eczema and skin eruptions to dry up and disappear. It's an alterative tonic and body builder.

This tonic is a glycerine extract from roots taken from our great American forests. Try this remedy now. Sold by medicine dealers in liquid or tablet form—or send 50 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial box.

It comes every Wednesday and Saturday, (16 pages a week or more), and is up-to-date in every regard.

NOW HER FRIENDS HARDLY KNOW HER

But This Does Not Bother Mrs. Burton, Under the Circumstances.

Houston, Texas.—In an interesting letter from this city, Mrs. S. C. Burton writes as follows: "I think it is my duty to tell you what your medicine, Cardil, the woman's tonic, has done for me.

I was down sick with womanly trouble, and my mother advised several different treatments, but they didn't seem to do me any good. I lingered along for three or four months, and for three weeks, I was in bed, so sick I couldn't bear for any one to walk across the floor.

My husband advised me to try Cardil, the woman's tonic. I have taken two bottles of Cardil, am feeling fine, gained 15 pounds and do all of my housework. Friends hardly know me, I am so well."

If you suffer from any of the ailments so common to women, don't allow the trouble to become chronic. Begin taking Cardil to-day. It is purely vegetable, its ingredients acting in a gentle, natural way on the weakened womanly constitution. You run no risk in trying Cardil. It has been helping weak women back to health and strength for more than 50 years. It will help you. At all dealers.

Go now, make the best investment you ever made, by getting a large fifty-cent case of "Pape's Diapepsin" from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorders.

Non. Lee Gibson returned home from the lower counties this week after campaigning in the interest of the Democratic ticket. He reports everything to be in first class condition and the signs favorable for the largest democratic majority in many years.

Until further notice we will club the Semi-Weekly Bee with the three magazines "Plain and Fancy Needlework" "Woman's World" and "Home Life" for \$1.25. This applies to new and renew subscribers and is undoubtedly the best offer we have ever been able to make. For \$1.15 more making \$2.50 in all we will give one of those handsome Artfelt Rugs. These rugs are a novelty and are selling in the city stores for \$5.00. Better get in on this proposition NOW.

THE CHARM OF MOTHERHOOD

Enhanced By Perfect Physical Health.

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or understands how to properly care for herself. Of course nearly every woman nowadays has medical treatment at such times, but many approach the experience with an organism unfit for the trial of strength, and when it is over her system has received a shock from which it is hard to recover. Following right upon this comes the nervous strain of caring for the child, and a distinct change in the mother results.

Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

UGH! ACID STOMACH, SOURNESS, HEARTBURN GAS OR INDIGESTION

The moment "Pape's Diapepsin" reaches the stomach all distress goes.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is quick, positive and puts your stomach in healthy condition so the misery won't come back.

Numbed

If there had come news a year and half ago that 8,000 Armenians had been butchered by the Turks, what would have been the feelings of Armenia and the rest of the civilized world?

We can imagine the outbreak of indignation; the mass meetings of protest; the denunciation of press and pulpit, culminating in the movement of Christian powers to end the slaughter.

Today the story comes and we receive it with but feeble responding anger and a sense of hopeless impotency.

A year of weeping in blood has numbed our sensibilities. Horror piled on horror has left us without spirit to react. We accept this terrible news with a despairing surrender to the inevitable.

Is it not a tragic comment on the effect of Europe's war? Is it not proof that we have suffered spiritually, if not materially and physically, from the ceaseless sound of the cannon and the unpasing picture of the dead and maimed?

But the most tragic phase of the situation is our feeling that the crime must go on; that we can do nothing to prevent it; that the pitiful protest of Washington is a vain and empty thing in the face of this nightmare of cruelty and blood lust. God help the civilization that is powerless before such dastard deeds as those that blackened Belgium, raped Poland and made of Armenia a pool of innocent blood.—Chicago Evening Post.

The baby was a pretty one. As everybody knew, And all day long that baby said, "Coo, Coo, Coo."

The father's name was Samuel. They called his baby Sam, And all night the father said, "D— D— D—"

MOTHER! GIVE CHILD "SYRUP OF FIGS" IF TONGUE IS COATED

If cross, feverish, sick, bilious clean little liver and bowels

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs" and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well-playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels. Ask your druggist for a 50-cent bottle of "California Syrup of Figs" which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

For Indigestion

Never take pepsin and preparations containing pepsin or other digestive ferments for indigestion, as the more you take the more you will have to take. What is needed is a tonic like Chamberlain's Tablets that will enable the stomach to perform its functions carefully. Obtainable everywhere.
